Adam Ant

From the Ant that sold 17 million albums worldwide, comes a new hit single, "**Wonderful**". From the new **Adam Ant** album entitled "Wonderful" produced by Bob Clearmountain.

In the early eighties, Adam Ant's prominence in the New Wave scene led to the development of alternative music by the end of the decade.

Adam Ant's charisma has fashioned him a core audience of at least 100,000 fans! Some of these include Offspring, Trent Reznor and even Nine Inch Nails, which covered one of Adam's songs on their last release. As these current top artists often site Ant as an influence, he could be thought of as the grandfather of alternative music.

This is his first release in five years. Since that time Adam Ant has diversified his talents by acting in movies and even writing scripts.

Salute To Black Music

Capitol stands for such legendary artists as Nat "King" Cole, Lena Horne and Cassandra Wilson. With warmhearted commitment, Capitol has been a catalyst in the development of these careers enabling them to flourish into the artists they are known for today.

Other notables; The Whispers, Walter & Scotty, Rachelle Ferrell and Portrait have been well anchored in the hearts of R&B/Soul audiences internationally. The distinguished team of BeBe & CeCe Winans, have become a mainstay in Gospel, and have crossed over quite favorably to Christian Radio.

Continuing the legacy of Black Music, Capitol promotes the further development of Pop/Rock with such diverse artists, Tracie Spencer & Andru Donalds. And for urban radio youth, Capitol has honed the sound of the street with US3 and Spearhead.

As a major player in the development of the modern music industry, Capitol continues to be a predominant force in the advancement of Black Music.
